WELCOME

If you are a visitor to our congregation today, we extend to you a warm welcome. We also extend a special welcome to our guest speaker today, Rev. Jim Briggs. We are always delighted to have visitors join with us as we worship the Lord. We hope you will be blessed, encouraged and challenged through the service. Let us encourage you to really enter into the worship with all your heart.

In 1977, the United States launched a rocket into space. On board was a small craft called *Voyager I*, a probe that was jettisoned into space to explore the planets. After Voyager was done sending back photos and data from the planet Jupiter and its neighbours, it didn't stop working. It just kept going.

Today, almost 30 years later, that tiny vehicle is still going – travelling at a speed of over 38,000 miles per hour. And it's nearly 9 billion miles from the sun. That's mind-boggling! Brilliant scientists have sent a ship to the edge of our solar system. It's astounding. It's amazing.

But it's absolutely puny when compared with what God has done. It would be like hearing someone brag to the architect of the Empire State Building that he had travelled to the second floor.

We have barely begun to explore the vastness of God's creation. But every small step by mankind should continue to put us in absolute awe of God's power and creativity. Think of this: While we have left the realm of one star with a spaceship, the Creator of the stars "*calls them all by name*" (Isaiah 40 v 26). After all, He made them.

Exploring the universe is amazing. But exploring the God who made it all: That's beyond amazing!

P.W.A. SERVICES

Sunday, 12th March has been set-aside for our annual P.W.A. Services. The guest speaker at these services will be Miss Roberta Irvine, a deaconess with the Presbyterian Church in Crumlin. The loose offering at these services will go towards P.W.A. funds.

HILLTOWN CHILDREN'S CHURCH AND CRECHE

Thank you for the good response we have had in recruiting new helpers for Children's Church and crèche. In order to give everyone an outline of the routines involved with this work, a meeting has been organised for all helpers, both new and those already helping, for tomorrow night, 27th February at 8.00pm in Hilltown Church Hall. Look forward to seeing you there!

WWW.CLONDUFF.CO.UK

"Clonduff" is now on the world-wide-web at www.clonduff.co.uk. Since there is space for information about each organisation, it would be useful if leaders could forward something to Joe McKnight at Joe.mcknight@btinternet.com if they would like to have it published.
